- I would like to send reports directly from Microsoft Word and need to have it installed on _____ workstations.
- (Explorer Edition Only) I would like to use the Medical-Objects system as a clinical package for my allied health organisation and need the software installed on _____ workstations.

Agreement

It is my understanding that I undertake this agreement with the knowledge that Medical-Objects Pty Ltd will be sending clinical communications in a secure encrypted format across the Internet and that Medical-Objects Pty Ltd will be using the information provided by me on this form solely to set up my practice for this purpose. I understand that this service is for sending patient correspondence only, and not for unsolicited communication or marketing.

I understand that support required by Medical-Objects that does not relate to Medical-Objects products will incur charges.

Medical-Objects Pty Ltd agrees to adhere to all aspects of the Privacy Act 2000 along with Australian Standard AS4400-1995 Personal Privacy in Health Care Information Systems. I accept that the software systems employed by Medical-Objects Pty Ltd to provide its service to my practice and I agree to the Medical-Objects terms and conditions found at <http://www.medicalobjects.com.au/MedicalObjectsSLA.pdf>. I agree to notify Medical-Objects Pty Ltd of any problems or errors and to provide feedback directly.
